

**Remarks**

Two of the claims were amended simply to correct minor dependency issues. These amendments do to affect the scope of the claims or their patentability.

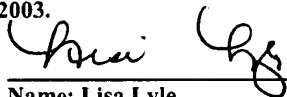

The title was also amended to more accurately describe the invention.

It is believed that no fee is required. Any fees that may be required by this Preliminary Amendment may be charged to our firm's deposit account number 502,267. Please contact the undersigned attorney if there are any questions.

Respectfully submitted,
